

RAVEN *rjw* WILLIAMS
AUTHOR. SPEAKER. INSPIRATIONALIST

The Author

It all started when I tapped into who I was as a woman and took one step forward and leaped into my purpose. After that first leap, I never looked back! I have been a silent writer for over ten years. I only shared my story, blogs, and books with those whom I knew personally. I even refused to put my picture or contact information on my literature. After realizing that so many people whom I mentored was in the same position that I was in at some point, I made the declaration that I no longer wanted to hide from myself. Thus, I began releasing the books that were hidden behind the scenes. One of my favorites, [She is Legacy](#), is an extremely easy read, yet it's thought provoking as it takes you through a journey of defining who a woman is, then it allows you to celebrate those whom have made an impact on your life, and finally it encourages you to make an even greater impact on others' lives. Every page is an entirely new reflection. I wanted to share this message to as many people as possible, so this title is available at [RavenJWilliams.com](#), [Amazon](#) and [Barnes & Noble](#).

The Speaker

As highly motivating and energetic speaker, Raven J. Williams empowers her audiences to believe. Through her energetic and thought-provoking approach to pushing past obstacles and succeeding, Individuals, groups, and large organizations have the opportunity to directly connect with the relevant messages that are designed to captivate the audience and leave them with their own burst of energy, excitement, and enthusiasm.

The She-E.O.

Raven is the founder of Blueprint Coaching Solutions, where she is the coach, mentor, and purpose pusher for emerging authors, businesses and organizational leaders. Her unique approach to helping to shift the mindset of those whom she encounters and help them find their purpose is based on her personal tagline ... "Transforming You, One Conversation at a Time." She is also the founder of the "Women Who Inspire" monthly publication that celebrates women who lead by example to leave a lasting legacy. By celebrating women of all backgrounds, Raven is showing the world that when we support one another, we create a powerful sound in the world as women.
